

HIGH-IMPACT LEADERSHIP FOR WOMEN LEADERS

OBJECTIVE

To fortify leaders' essential skills for leading effectively through their teams and taking on ever-greater responsibility throughout their careers, while creating positive change in their organizations.

The program supports participants to continuously invest in their self-awareness, expand their capabilities, and strengthen their networks within a community of leaders who share common business challenges and experiences.

OUTCOMES

Leaders will be:

- Better prepared to lead at scale.
- More equipped to inspire action of their teams.
- Able to recognize the dynamics and challenges of being a female senior leader.
- Effective communicators of their leadership vision.
- Better able to influence cross-functionally.
- More self-aware of their own leadership style.
- Supported by a wider professional network by networking with talent outside your organization.

PARTICIPANTS

Women leaders in Director, Senior Director or VP positions who are interested in accelerating their career progress.
