HIGH-IMPACT LEADERSHIP FOR WOMEN LEADERS

OBJECTIVE

To fortify leaders' essential skills for leading effectively through their teams and taking on ever-greater responsibility throughout their careers, while creating positive change in their organizations.

The program supports participants to continuously invest in their self-awareness, expand their capabilities, and strengthen their networks within a community of leaders who share common business challenges and experiences.

OUTCOMES

Leaders will be:

- Better prepared to lead at scale.
- More equipped to inspire action of their teams.
- Able to recognize the dynamics and challenges of being a female senior leader.
- Effective communicators of their leadership vision.
- Better able to influence cross-functionally.
- More self-aware of their own leadership style.
- Supported by a wider professional network by networking with talent outside your organization.

PARTICIPANTS

Women leaders in Director, Senior Director or VP positions who are interested in accelerating their career progress.

WHAT PEOPLE ARE SAYING

> *There are so many different ways that this program offers to help provide guidance. With dedication and commitment to improve oneself, this program has the ability to take someone to the next level as an individual and leader.*
>
> **-Tech Industry Sr. Director**

> *This program is the best development course I have ever attended. The topics covered were so valuable and relevant to me as a woman at my level in the organization. For every topic covered I was able to incorporate new knowledge and strategies in my role.*
>
> **-Tech Industry VP**

Previous program participants rated it 9.3 (out of 10) as to whether they would recommend to friends or colleagues.
